

International Tribunal of Crimes of Church and State
International Commite on Nuclear Justice
Baltic Sea Indigenous Court

Common Law Warrant on Corporation Abolition to all the owners and leaders of the fictitious corporations imitating national states and central and corporate banks.

Issued under the authority of the IWO Court of Godland verdict due to genocide of indigenous people and citizens through matrix of genocidal nuclear war systems and depopulation matrix.

This Warrant empowers the bearer to abolish any organisation that is known to have harmed or violated indigenous people of any region through the webb of nuclear war systems. If any spirited indigenous person proclaims abolition of a corporation, abolition of that corporation has to be registered by any state within a month without demanding any fees and regardless of the laws of the people. Divine order establishes that only the living of flesh and blood share the resources of mother nature. No corporation has common rights.

This Warrant has universal jurisdiction and may be applied in any country regardless of its statutory provisions. The police and judicial powers are required to assist in the execution of this Warrant, or refrain from interfering with its execution under the pain of being charged with obstructing justice and being an accessory to crimes of genocide.

This Warrant is valid for ever. It is issued by the authority of Indigenous World Order of Godland and with the full weight of Natural and Unalienable Rights and the Rights of Indigenous Nations within Love Order of Indigenous Godland.

Memorandum on the Organized Disappearance, Torture, Exploitation and Murder of Women, Children and Men of the World through Corporations of Criminal Nuclear War Systems. Summary from Eyewitnesses and spirit of the Decree

20.05.12018.

Matter & Decree

1. An organized system of abduction, exploitation, torture, exile and murder of large numbers of women, men and children appears to exist on mother Earth, and is operated by corporations, any state police department, any state judiciary, any state government and any federal government, including their military.
2. This system is highly funded and linked to criminal organizations of Satanist cannibals in various churches, and foreign mobsters from Russia, UK, Netherlands, Rome, Switzerland and the USA who through central banks steel the money from the nations to invest it in genocidal corporations obsessed with Satanism and imposing nuclear war systems on the world. It is funded in part by a massive drug trade and child trafficking, with which it is intimately connected.
3. This cannibal system is crusader-centuries-old and has been supplied with women, men and children of aboriginal origin with the paid collusion of lawyers, clergy and officials of Roman Catholic and other Christian church, and Islamic Mosques, Jewish Synagogues, and any other corporate churches of the world, along with state-funded aboriginal leaders and officials of any of state government departments, where states are not governed by the indigenous people but are in the net of an automated and in the end suicidal mega corporation filled with people programmed into merchants-biorobots that are systemically murdering the aboriginal people (physically or by identity loss) and expropriating their lands, their homes, any of their resources and even their children.
4. This system is international in scope, any land being one spoke in a wheel of pedophilia, sex slavery, human organ black markets, “snuff” films and violent child pornography that has outlets throughout the world, particularly in Kanada, USA, Russia, China and Thailand.
5. The agreement at Holyrood Castle in Edinburgh, on September 16 2010, was made by Pope Benedict and Queen Elizabeth who adopted the notorious law for the absorption of the Anglican church back into the Church of Rome. It compels all Anglican clergy to subvert the laws of their own countries by protecting child rapists in their ranks, silencing victims and not telling the police of the crime. Pope Benedict resigned on February 11, 2013, followed in August by the equally unexpected resignation of Vatican Secretary of State Cardinal Tarcisio Bertone, who helped to broker the Holyrood Agreement.
6. This system relies upon a network of complicity extending to the highest levels of power in all occupied nations, involving coroners, judges, doctors, clergy, politicians and social workers, as well as the media. It also relies upon a network of “body dumping grounds” and mass graves,

located in cemeteries of rural areas of any church and Crown land, where human remains are regularly disposed of by official officers due to poverty, loneliness and disease of the victims of the dysfunctional, divine order forgotten society.

7. This system is kept in place because of a practice and philosophy of unofficial tolerance and protection by the established police, judicial, military, church and governmental institutions in the states and communities. The crimes committed by individual officers of the police, churches, court and government against women, men and children caught in this Satanic nuclear war system are well known and tolerated by the institutions that are guilty of the crime of pretending to be representatives of a state where power belongs to the people, when in fact it belongs to the Federal Reserve Bank (FRB) owners who have racist agenda of eliminating the races.

8. The Federal Reserve Bank owners are guilty of imposing war economy on the populations of the whole world and contaminating the planet with genetical mutations causing substances - massmurdering all living systems. The source of peoples food chain and life style - millions of years old common seas and rivers and lands have been contaminated by the FRB war projects through corporations and many of them will be poisonous until the end of times now. The question of safe disposal of the mountains of nuclear waste is the question of life on Earth.

9. That is why Federal Reserve Bank that holds genocidal grip over societies of the world has been abolished by Baltic Sea Indigenous peoples Court (bsrrw.org / labie.lv) and all the corporate systems are ordered to reorganize themselves into environment friendly units that are managed by loving and spirited indigenous people of each territory in direct contact with the Divine Leaders - the Gods of Love, Peace and Welfare.

10. War is criminalized and You have to get out of the war economy systems that are all driven by the black magic US Dollar currencies that have to be replaced by real money that is controlled by the people themselves in local communities. For that You have to be in Your own coupon societies to share the resources and the fruit of Your work to everybody in your community, prioritising cultural expansion of the native people who have authority from above and know how to establish Divine Order.

11. If You have received this warrant You have to immediately write and sign a binding promise to the Diarchs of Indigenus World Order of Godland to within a month totally reorganize Your activities into by indigenous peoples chiefs managed oxa cooperatives of citizen state-societies, eliminating the matrix of Criminal Nuclear War Systems, into safe systems that protect any one that You affect, or Your genocidal organization will be closed within a week and its management is facing the verdict of capital punishment for crimes of genocide and democide. You may apply for amnesty becoming oxa Billionaire.

12. If You don't follow these Decrees You will be guilty of Crimes against Humanity and all Living Systems of Mother Earth and You will be arrested due to the Verdict on Your Crimes of Genocide. If justice fails the direct effect of Your crimes will be the End of Times as the Gods may decide that this mankind is not worthy of being supported as You are too easily turned into heartless bio-robots, slaves of Satan.

May the Gods be with us in our work to restore the Divine systems of Love, Peace and Welfare.
