4.1. Ditta of Godland oath in new era of physicaly as species divided Humanity

Beloved Humanity, We have been now by COVID injections and other nano bioweapons and systemic weaponry, been physically divided into self controlled and remotely controlled people, who often have been even physically transformed into Hybrids and Gene Modified new Human 2 species.

I am Ditta of Godland, akka Ditta Rietuma. I am still self controlled and I live to restore safe environment for Humans, and as much as possible heal Humanity, to allow it to live in Love Order and to make Humanity capable to dismantle the well established Death Cult. I establish each Humans Human Rights, Citizen Stocks and balances in their National states, and each Humans Indigenous Rights and Duties to govern their lands of predecessors.

Oath of Ditta of Godland to Humans and other Universe inhabitants

I am a self proclaimed emperor of Earth and universe, to remedy the lack of reliable Human Civilisation institution, a sovereign who cares to save Humanities all Humans and other Universe inhabitants. I give Oath that I love All and Each Human and other Species and I am capable to establish Love Order on Earth and universe, if Humanity recognises my rule, and 3 statutes of World Indigenous Human Love Order Court and Bank of Godland are enforced now peacefully and lawfully. Please even check regularly my health status that I don't get Hybridised or Gene Modified and overtaken for remote control by the enemies. Make me joik aboriginal songs, to see me being well, make me speak 4 languages at academic level, to see me being me – Latvian, Swedish, Russian and English. If I am I, and I am well, I will create Love order on Earth – that is my promise to Humanity and all other Species. I am Highest judge/commander/ treasurer/healer/scientist/any competence on Earth now and I heal all wounds of Humanity – if You start working in Love Order, stepping carefully out of the Death Cult. Systemic shifts always create genocide, so let us be gentle and sensitive to shift systems in a parallel manner, without shift genocide. It is done with contracts and lawfully, loving both victims and perpetrators. No physical punishments just systemic gifts of sharing of all resources to each and every one, in safe processes. Success depends on us doing the work of Love Order creation.

COVID and other Injection processes are the result of WHO supposed authority, that is destroyed now by revealed proven facts, that are hidden from public by absolute Media PsyOp

4.2. Reality Check – Facts Are Reality, Humanity is Killed with Lies, now Super Fast

Your authorities are overtaken by Hostile AI driven leaders who give You Murderous Lies

Establish Your own proof of Reality check, don't outsource it to others, especially official institutions

1st - lies of pandemic year 2020, that obviously did not have a higher mortality than many other years before <https://loveorder.files.wordpress.com/2021/09/final-estimates-crude-death-rate-deaths-per-1000-population-total-total-fr-kevin-bough-fr-un-agency.pdf>

2nd reality check point – masks don't protect from viruses and damage many organs, even making Humans compliant, all COVID 19 tests are false, as virus is not isolated, and most tests are weaponized. World Bank WB registries prove - tests are produced since 2015, patented by Richard Rothschild. WB planning document on COVID19 pandemic to be ended 31 april 2025.

3rd reality check points - over the world millions of people have died, and hundreds of millions of serious adverse events have occurred, after injections with the experimental mRNA gene therapy, that should be called Bioweapon. Know Vaccine death report!

www.SaveTheHumans.NEWSThe purpose of this report is to document how all over the world millions of people have died, and hundreds of millions of serious adverse events have occurred, after injections with the experimental mRNA gene therapy. We also reveal the real risk of an unprecedented genocide, only presenting scientific facts and stay away from unfounded claims. The data is clear and

verifiable. Over one hundred references can be found for all presented information, which is provided

as a starting point for further investigation.

<https://www.stopworldcontrol.com/downloads/en/vaccines/vaccinereport.pdf>

4th - Most of Western military, medical and teachers – crucial groups - are now poisoned with Hybridising and Gene Modifying COVID injections. All healthy children are being injected with these poisons as if that would be medicine, but it makes them unhuman gene modified and full of bioweapons.

The line of order is – military madness!! Allert! No institutions or any professionals are getting proof of safety of ingredients! There are no reliable ingredient lists, as large part of ingredients are marked as business secret, and they are changing compounds in first shots and booster.

5th Pandemic attack gin is from the bottle of court case in US 2013 – on mRNA turning Humans into non Humans, without Human right and becoming property of the mRNA patent holder. A PATENTED TRANSHUMAN NO LONGER A HUMAN WITH HUMAN RIGHTS. Dr. Chinda Brandolino

7th - and Lockdowns for Controlled Demolition of all National States, where there are no resources allocated for defence, as the state structure is the aggressor upon its own Humans, due

to process of WEF Klaus Shwabs Cyber Pandemic tyranny, put in place by Police obeying their orders and protocols fr overtaken governments that are enforcing orders of destruction of national food supply, housing and Human Population GeneModification and Hybridisation.

[Energy Crisis becomes a Food Crisis - Grow Food and Build Local Food Systems Now!
\(odysee.com\)](https://www.odysee.com)

<https://www.iceagefarmer.com/2021/10/05/energy-crisis-becomes-a-food-crisis-grow-food-and-build-local-food-systems-now/>

Pepsi CEO proclaims that net zero (#AbsoluteZero) means we must change the way we do agriculture. The same, tired argument “Stop farming and ranching because global warming.”

The energy crisis is quickly becoming a food crisis: China’s harvest is faltering without electricity. Dutch are unable to heat their 25.000 ha greenhouses, which are empty and cold now. The UK’s meat production is curtailed by a lack of CO₂. The world’s food supply chains are deteriorating rapidly — but the tide is turning! People are more receptive to creative ideas than ever — build and invest in YOUR food production and local food systems NOW!

Destruction of meat industry means mass murder of animals, that are being reduced as species. Netherlands and Ireland are buying farmers Pigg-right and killing off the cattle, and transforming farms.

8^h – No Citisen in any country has any written contract from his state about the land rights, birth rights, shares of stocks in their state, or even right to have a home. All property has been stolen and is now being registered on the Pirates who stole it, who are poisoning the Citisens with COVID injection poisons.

9th – the force that has forced Humans into this beslaved poisoned gene modified victims situation is world wide Police Conglomerate, that all obey WHO UN Vatican IMF and use VISA MASTERCARDS Inc payment system that is now on the Quantum Financial/Voting system. This is why We start with Take Back of the Police, to ensure that the current Police State is being turned into Human Love Order instead of Unhuman Death Cult.

10th – Reiner Fuellmich wittneses from high rank bankers have stated that EU and USA are broke, pension fonds have been stolen and there are no financial means for balancing the Checks and Balancies. National debts are enormous, but who have endebted nations?! And stolen funds?

11th – everybody are using VISA MASTERCARDS, that are now on Quantum Banking one platform, with Social Scoring points of SDR instead of national currencies that are only left to camouflage the shift, and national Police and Government are all on the platforms of Humanity Murdering group, following their orders.

It is obvious that WHO leadership has been used to commit coup of all national state properties and murder of all nations Humans. As the whole Humanities resource structure has been now digitaly stolen into enemies possession, no solution has been provided to get it back through current Humans power structures. Furthermore Humanity is now forced into bio-digital

convergence by contaminants in environment such as unprecedented Smart Dust and RF 3G 4G 5G frequencies transforming people into Remotely Mind Controlled Hybrids , or even through uninformed consent with injections full of unreported bioweapons, are being transformed into genetically Modified Zombies.

4.3. Ongoing world coup crime group with goal to kill most of Humanity

There is organized world coup crime group that has taken Humanity hostage with lies and are poisoning, lockdowning, irradiating, chemtrailing poisons and torturing with weather weapons All Humanity that has been forced into Military Law now, to establish Quantum World Banking Tyranny for bio-digital convergence of remaining Humans into remote controlled bio robots, those that wont be murdered by injections and other depopulations covert mass murder means, enforced on unsuspecting naive humans. They obuse information on NESARA GESARA promising solution, just to stop resistance to their regime.

"And what they are waiting on, they explained to me, was this template, this legal template...we would call it NESARA/GESARA but they would call it more of a charter. And they were saying that all the people, all the countries around the world are under Military Law right now. And what they are doing is they are getting all the places, all the countries, all the continents signed in to the protocols of the new charter." — 33 m 20 s - 33 m 55 s out of Michelle Fielding testimony on Starlink Quantum Financial/Voting System being installed and all state military being poison injected/dismantled, video <https://www.youtube.com/watch?v=dH7nq8KycaQ> .

4.4. Ditta of Godland holds Humanities defence line demanding Capitulation of Death Cult and paused AI until checks and balances of Humans and others are restored and AI is proven to be safe for Humanity. Ditta of Godland - Anything any forced representatives will sign under these medical military warfare conditions, will be Null and Void. All charters treaties and statutes shall be showed openly to Humanity, but they are not, it's a secret violent war crime of Mass Murder of All Humanity through AI Quantum Banking Voting Blockchain sceems.

To remedy this I gift Humanity with following Love Orders from Ditta of Godland, that changes the current criminal financial system , that has been turned into a digital private mega monopoly.

Ditta of Godland creating self sustainable Love Order changes financial system from money into oxa system of Human checks, tally stick and wooden rune coins, created by Humans themselves.

All the contracts that have been signed by National governments with WHO are therefore now to be transferred to be signed with me, Ditta of Godland akka Ditta Rietuma, and my world, regional, national and local governments, as the true and reliable authority, that dismantles by Pope Francis established Death Cult world wide prison networks of overtaken Human housing, and establishes LoveOrder of WellFare of Earth.

I Ditta of Godland replace leaders of UN, NATO, EK, EU, IMF, Vatican, WEF, BIS, IBM, CIA, FB, Pravitelstvo Russii, CCP, and all national government leaders, to protect Humans that have been beslaved, injured, tortured and mandated to be poisoned by desinformed medical staff.

All the secret agreements between injection producers and companies that run national states are Null and Void as they are by Bill Gates fascist board members deliberately signed to commit Mass Murder of All Humanity. Due to these fraudulent contracts by national governments pretending to care about Humans in their nations, Humans are now being executed/murdered with eventually lethal injections. Large part of administration of all governments are overtaken by unprecedented new remote control technologies, wherefore the administration of governments have been made into digital platforms managed by Bill Gates fascist board of Covid coup of Humanity.

Large part of ingredients in the injections are a business secret, of Bill Gates, Google and other injection company owners. There are findings about ingredients that should not be in injections –graphene oxide, unidentifiable metallic sharp objects, Charles Lieber nano transistors, Trypanosoma parasites, and even unclear spider like nano biology etc [Dr. Carrie Madej: U.S. Lab Examines Two Covid Vaccines. Live Organisms & Mysterious Nano Objects Found. - Truth Comes to Light](https://truthcomestolight.com/dr-carrie-madej-u-s-lab-examines-two-covid-vaccines-live-organisms-mysterious-nano-objects-found/) <https://truthcomestolight.com/dr-carrie-madej-u-s-lab-examines-two-covid-vaccines-live-organisms-mysterious-nano-objects-found/>

COVID-19 VACCININGREDIENTS <https://nobulart.com/covid-19-vaccine-ingredients/>?

Declaring that Reiner Fuellmichs application for world wide ongoing Corona crimes to Criminal Courts of the world, falls within the exclusive jurisdiction of this WIHLO Court of Godland in that Court alleges the failure of all governments of Earth to discharge their constitutional obligations of their Constitutions, as they have allowed the Bill gates WHO/ UN/ Vatican coup of Controlled Demolition of all national states, without holding court or Truth Commissions for proof of existence of Pandemic, or even COVID 19 virus, but there is proof that the injections they call COVID vaccines are very dangerous.

The *International Journal of Vaccine Theory, Practice, and Research* has Stephanie Seneffs and Greg Nighs scientific paper on the extreme dangers of the new mRNA injections presented as emergency approved vaccines

[View of Worse Than the Disease? Reviewing Some Possible Unintended Consequences of the mRNA Vaccines Against COVID-19 \(ijvtpr.com\)](https://ijvtpr.com/index.php/IJVTPR/article/view/23/51)

<https://ijvtpr.com/index.php/IJVTPR/article/view/23/51>?

These are many serious dangers that they name in the abstract of their well referenced scientific paper:

“Among these potential induced pathologies, we discuss the relevance of prion-protein-related amino acid sequences within the spike protein. We also present a brief review of studies supporting the potential for spike protein “shedding”, transmission of the protein from a vaccinated to an unvaccinated person, resulting in symptoms induced in the latter. We finish by

addressing a common point of debate, namely, whether or not these vaccines could modify the DNA of those receiving the vaccination. While there are no studies demonstrating definitively that this is happening, we provide a plausible scenario, supported by previously established pathways for transformation and transport of genetic material, whereby injected mRNA could ultimately be incorporated into germ cell DNA for transgenerational transmission. We conclude with our recommendations regarding surveillance that will help to clarify the long-term effects of these experimental drugs and allow us to better assess the true risk/benefit ratio of these novel technologies.”

4.5. Ditta of Godland has granted an insurance for Love Order on Earth for every Alive being

Know that Ditta of Godland has granted an insurance for Love Order on Earth for every Alive being, and it is valid even if that being does not say a word about it. But for that insurance to be in place there is a lot of work to be done each moment as long as Humanity exists. You decide if You stop working for Death Cult, Murdering Humanity and all Alive, and start being the Love Order power on Earth – a Godlander in charge.

I recruit all ethnical tribe/clan/folk leaders to be saviors of their tribes throughTribe Commissions of Godland (as LaBie.lv for Latvians). I recruit all national governments of Humans to be saviors of Humans of Your Nation through National Government of any State of Godland. I recruit all Human Indigenous leaders and national and international experts who are Human, Love Humans and are loyal to Humans, to be World Indigenous Human Love Order Government of Godland, in the World Government of Godland, who Takes Back All Resources of Humanity from Satanic Jesuit Pope Francis military order of bio-digitally-converged Hybrids that are Murdering Humanity, transforming Humans into remote controlled Hybrids and genetically modified Zombies.

I call in local, national and international world government of Godland that will establish peace after 108 years of Jesuit FED world wide Roman Martial Law. I call in military conscription of Godland Love Order of any Human left genetically not modified and not hybridised by medical fashism tests, injections, and other procedures! Prove contract through info@loveorder.info and by phone 00371-29811064. More at www.labie.lv, www.LoveOrder.INFO, and MSS.legge.net.

No tanks and no weapons are needed. But we do need a handful of people who undertake to be signatories to the Peace Treaty between Humans and those without informed consent Hybridized and Zombified, for Take Back and ReHumanisation. We need heart wise leaders of the Peace Truth Commissions to Guarantee Human survival that is impossible without Victory that stops Desinformed Medical Fashism - to save any nation and any peoples of the world from the Hybridization and GeneModification Massacer of Humanity through Covid process, due to stealth of all wealth, due to overtaken commercialised remote controlled Courts etc. .

4.6. Practical method of Human Godland Take Back fr Hybridised and GeneModified victims Murdering Humanity.

As all government of Humanity has now been overtaken by Post Humans as they have been Hybridised in Bio-Digital-Convergence nano and RF technologies, and injected with Gene

modifying C injections, and as absolutely no financial or practical resources have been provided for Humans who refuse hidden Gene Modification and Hybridisation, Death of Humanity is Inevitable, if Return of Humanities Resources to Humans is not done right now - for Survival of Humanity and Rehabilitation of Hybridised and Zombified aggressive victims.

Timeline is crucial, it will not be possible any more, especially for Western nations, even days later, after children have been gene modified, in October year 21.

You, Gene Ecological Human or Hybridised, or Zombified, visit LoveOrder.info page and download all 3 founding documents of world wide Godland court and bank, as well as The Rights of Godlanders. You download Latvian coupone contract booklet 22 pages, as well as privilege of Indigenous people on their lands of predecessors law, fr 7.March year 16. Get yourself a copy of Declaration on the Rights of Indigenous Peoples by UN fr 13.September year 7.

4.7. Kinds of Take Backs, such as

You convince Gene Ecological Human, or You Yourself adress following from Humans stolen governments for TakeBack:

- 1) Chief Auditor of their Local and National Government budget, with Dittas of Godland decrees and evidence of local ongoing Hybridisation and Zombification through untested new COVID 19 injections, demanding TakeBack of Human resources that have been constituted by Humans.
- 2) Adress even the producers of national passports, that have registered all Humans as Persons, without giving them contracts of shares in their Human national states. You envoke lawful process to correct that. Correct You passports with a pen at local indigenous court, adding G- (Initials of Your National state) – in front of previous passport nr that is left where it was. Put date of correction, Indigenous chief signs and registers in Your Indigenous registry book of Godland, by handwriting. Thereafter You have signed to establish all 14 Rights and Duties of Godlanders, and protect Humanity, and You have 4 levels of contracts with Ditta of Godland, who establish Universal Love Order. Translate those contracts from Latvian www.labie.lv/wp-content/uploads/2014/11/Līgumu-Kuponu-burtnīca-LB-12020-X.pdf into Your language, if You can, but they are valid even without that, due to All Humanity Murder attack, and everybodies need for protection, provided by Ditta of Godland.
- 3) Issue a Summarised oxa check of Godland of Take Backs / Stand Downs to government, as well as for monthly oxa income for each Citisen - Human , Hybridised or Zombified. Send scanned/photos of these checks to administration Finance and Economy chiefs to convert and deliver to each by them taken hostage Human, Hybridised or Zombified. Even to World Indigenous Human LoveOrder Bank of Godland director Ditta of Godland through info@loveorder.info. As You know that they wont convert checks in a while, prepare wooden rune coin production, and tally sticks for contracts and large deals.
- 4) All land, all housing and all other resources of Humanity are nationalised by Godland already 5.9.19., and have to be returned to Humans for Survival of Humanity, to be distributed by Human Governance, even for Hybridised and Zombified Post-Humans. Local food and basic necessity stocks, and shops etc are all now in agreement with Dittas of Godland world Human Indigenous

Government, and Humans in agreement with Ditta of Godland have all right to take control of these resources to be shared for all.

5) Contact Health agency to invoke lawful procedure of Take Back of all Hospitals and Universities into Human governance to Rehabilitate All, but especially Hybridised and Zombified people, who have to step down from all positions of power, as they are remotely controlled to Murder Humanity

6) All Police and Military are Taken Back to work for Humanity instead of Hybrids and Zombified Post Humans

7) All Prisons are opened and all people in them are released, but any real criminals get to live on the countryside to rehabilitate safely where they are loved and cherished.

8) contact National Constitutional Court or similar to establish the obvious National state, that has been replaced by national Death Camps of European Commission etc

[Judgment: Polish Constitutional Court declares EU laws incompatible with the Constitution - BBC-Edition](https://www.bbc.com/news/health-57844444)

<https://bbc-edition.com/international/2021/10/07/judgment-polish-constitutional-court-declares-eu-laws-incompatible-with-the-constitution/>

The Polish Constitutional Court ruled that elements of EU law violate the country's constitution. Brussels reacted "concerned" – and announced a reaction. According to a ruling by the Polish Constitutional Court, parts of EU law are incompatible with the Polish Constitution. "The attempt by the European Court of Justice to interfere in the Polish judicial system violates (...) the rule of primacy of the constitution and the rule that sovereignty is preserved in the process of European integration," the judges ruled on Thursday. The decision could further fuel the dispute between Warsaw and Brussels over the reforms of judicial systems.

Poland's government also came in handy when the Federal Constitutional Court ruled, which it interprets in its favor. In May 2020, the Karlsruhe judges objected to bond purchases by the European Central Bank worth billions – and thus opposed an ECJ ruling for the first time.

However, the Federal Constitutional Court has never questioned the fundamental primacy of EU law. Karlsruhe only reserves the right to carry out the final inspection in certain, very rare cases. This is unconstitutional and Treason to Humans, Hybrids and GeneModified Humanoids of Poland.

Poland may have to consider the economic risks of its clash with the EU because until the issue is resolved, it is unlikely to see any of the 23 billion euros (\$26.61 billion) in EU grants and 34 billion in cheap loans that it could otherwise count on as part of the EU's recovery fund after the COVID-19 pandemic. The EU could even raise doubts about Polish access to EU grants for cohesion and structural projects in the 2021-2027 budget worth several times the recovery package, on the grounds that a country that rejects EU law cannot guarantee that the funds are spent as agreed, free of fraud. "If European legal acts are no longer accepted, it is questionable whether Poland can still profit from the enormous amounts of EU funding it currently receives," said Monika Hohlmeier, a member of the European Parliament from the centre-right group of

the European People's Party. <https://www.swissinfo.ch/eng/reuters/-you-are-playing-with-fire--eu-faces-crisis-over-polish-court-ruling/47012836>

From the standpoint of Take Backs of Godland this is just great, as all and every leader in Poland has to reconsider the validity of Polish banking system and all the agreements within EU, whose jurisdiction has never been lawful as no referendums have been held, as only Ireland had 2 referendums, and they were very dodgy as well, and the last one was a war crime, towards the whole Europe and the world.

On Thursday the constitutional court in Warsaw announced, in a 12-to-two ruling, that some EU laws and two fundamental articles of the European treaties, to which Poland signed up on joining in 2004, were now incompatible with the Polish constitution.

“The organs of the EU are acting outside the competence recognised by Poland,” said court president [Julia Przylebska](#) in her ruling.

By insisting that Polish law has primacy in Poland, it is defying a doctrine that all EU members respect: that EU law, the treaties and the Court of Justice of the European Union (CJEU) have the last word.

Even the [European Parliament](#) described Poland’s constitutional court last month as “illegitimate”.

But those CJEU and EP are no legitimate institutions at all, as they have been established without referendums held, and now we know that under these 17 years of EU all banks have been plundered and countries bankrupted by the gangsters of ECB/IMF/WB and their accomplices in war crimes.

EU experts are alarmed at what they see as a deliberate attack on the legal order of the EU, upon which the entire day-to-day functioning of its single market depends.

“If you defy the supremacy of EU law, you break up the unity of the single market, what is legal in Poland is not legal in [Ireland](#), and before you know where you are, the whole system has foundered,” says Prof [Gavin Barrett](#), an EU law expert at UCD. If Poland is willing to defy EU law, he adds, the EU has no way of protecting how any money it gives to Poland is spent.

But may it be, as well, for it is time to abolish the death camps of European slave markets that have destroyed Europe worse than both WW together.

The Order of Ditta of Godland is though – to safely Take Back all existing institutions of Humanity using oxa WIR check systems of Indigenous Court registered WIR checks, in parallel with Taken Back digital financial systems of money and Social Scoring SDR flows.

9) The goal is not to do any Exits from continental unions, as such have not existed the last 50 years, as they were fraud fully arranged groups of slavery and death camps, pretending to be countries. The goal is now to create real continental unions by Take Backs of the existing fraudfull private corporations pretending to be unions of sovereign countries.

Brexit (a [portmanteau](#) of "British exit") was the [withdrawal](#) of the [United Kingdom](#) (UK) from the [European Union](#) (EU) at 23:00 [GMT](#) on 31 January 2020 (00:00 [CET](#)).^[note 1] The UK is the first and so far only sovereign country to have left the EU, after 47 years of having been a [member state](#) of the bloc and its predecessor, the [European Communities](#) (EC), since 1 January 1973.^{[note}

The European Union and its institutions have developed gradually since their establishment, including 47 years of British membership.

The [effects of Brexit](#) will in part be determined by the [EU–UK Trade and Cooperation Agreement](#), which was signed on 30 December 2020, and was [provisionally applied](#) from 1 January 2021 when the [Brexit transition period](#) ended, before it formally entered into force on 1 May 2021 after ratification processes on both sides were completed.^[5] The broad consensus among economists is that it will likely harm the UK's economy and reduce its real [per capita income](#) in the long term, and that the referendum itself damaged the economy.^[a] It is likely to reduce immigration from [European Economic Area](#) (EEA) countries to the UK, and poses challenges for British higher education, academic research and security. Following Brexit, [EU law](#) and the [Court of Justice of the European Union](#) no longer have [supremacy over British laws](#), except in select areas in relation to Northern Ireland.^[19] The [European Union \(Withdrawal\) Act 2018](#) retains relevant EU law as [domestic law](#), which the UK can now amend or repeal.

Only one member state, [Ireland](#), obliged by their constitution, decided on ratification of the [Treaty of Lisbon](#) through a referendum.

- ■ ■ [Ireland](#) — a referendum to approve the [Twenty-eighth Amendment of the Constitution Bill, 2008 \(Ireland\)](#), 12 June 2008, **53.2% against**, turnout 53.1%

- ■ ■ [Ireland](#) — a referendum to approve the [Twenty-eighth Amendment of the Constitution of Ireland](#), 2 October 2009, **67.1% in favour**, turnout 59.0%

After the first vote by Ireland on the Lisbon Treaty, the [European Council](#) and the Irish Government released separate documents, referred to as the "Irish Guarantees", that stated the other member countries would not use the possibility in the Treaty to diminish the number of permanent commissioners in favour of a rotating system with fewer commissioners, and not threaten Ireland's military neutrality and rules on abortion.^{[1][2]} With these assurances, the Irish approved the unchanged Lisbon Treaty in a second referendum.

Why did they stop to hold Referendum annually? Shall be held annually in Godland.

11) all international/transnational initially Human organisations are now in Take Back led by Ditta of Godland.

As TransHumanoids have fooled Humanity and have unlawfully emitted hundreds of Trillions of USD and SDR making Humanity to work for the stolen money, building the Death Camp interior for themselves, processes and services of COVID 19 Execution plan of Murdering of All Humanity,

all international/transnational organisations like Vatican, UN, WEF, NATO, CCP being Humanities basic goods mega factory, EU, EK, BIS, IMF, WB and all others, are nationalized for the needs of Humanity.

All employees of these corporations are in Stand Down to their previous employers, and have to rights AffiDavits of Crimes against Humanity, and have to stay in place to completely assist Ditta of Godland in transforming the AI Death Camp networks into Love Order Welfare systems.

4.8. Conscription to work in Indigenous Governments, Human National Governments and World Godland Government

I conscript You to create Peace by working in Godlands civil and military non violent LoveOrder complex, that regains Humanities Life on Earth.

No one in the national governments needs to be punished for this Stealth of Humanities Wealth and Attempt to Murder Humanity event - neither Kariņš nor Bill Gates or Pope Francis, but they need to be lifted out of the Hell they have created and left without power to commit atrocities, and loving reliable Humans have to replace them now.

You have to take office and work in Indigenous Governments, Human National Governments and World Godland Government to check and rehabilitate international and national governments by issuing oxa checks so that everyone can recover, but all products and services necessary for recovery you also have to create and make available to offer, so dont write meaningless comments, instead of creating a Godland country Love Order governance.

Dont hate Your murderous National governments or Union MEPs, as they are Hybridised victims, most likely. Get Your priorities clear, We are Love, We are no Hate or Violence. We are Healers of this Betrayed and Mind Raped and Body Beslaved Tortured Humanity.

Dont feel any hate against Your murderous governments , like Kariņš and Levits in Latvia, they ar no murderous villains, but remotely controled puppets depending on Mind Controler Neuralink RF Medical Fashist manipulations violated on them - just a remote-controlled Hybrid, or gene modified Zombie - a post human remote-controlled biorobot. They need to be rescued and rehabilitated.

4.9. Wanted for deep and loving rehabilitation Are...

We are much more interested to know names of Persons controlling these remote controled victims, who have the central matrix control panel buttons, for orders to bio-digi-converged and programmed Hybrids and Zombies - to Murder All of Humanity, in subtile indirect ways. Kariņš and others governmental hostage Hybrids are victims of Hybrid-Zombie technology remote controler centers of IBM/ Quence/Vatican and needs to be de-hybridized and lovingly recovered as much as possible, as victims of Modern technologies that made them unhuman, wich is the most horriengieng experience there can be.

This process is upon us naturally due to the unrestricted unregulated scientific projects of Deep State and lack of regulation as Humanities Court system has not been capable to deal with Deep State and with these new products and processes of Bio-digital convergense, Morgellons, weather weapons, RF, and all financial system stolen by AI controllers etc. So now this is the result of unregulated science going nuts and Deep State using alla means for comitting Murder of Humanity. If we dont get this whole process matrix back into the Black Box it came from, Humanity is Finished.

4.10. Taking back now what is rightfully ours – Humanities!

We are taking back now what is rightfully ours – Humanities! This is the Take Back of all weaponised controle rooms of Governance of Chemtrail poisoning and Weather Weapons, All Humanities Banking, Telecom and Satelite, Pharmacology, Medical , Military and Police, Food and Agriculture Industries, Media etc.

All leaders of these crucial leftovers of Human Civilisation are ordered to Stand Down from taking orders from Bill Gates WHO/IMF/ UN AI Super Fashist Murderors of Humanity, and take orders from Ditta of Godland now.

The good news is that the “Black AI Mega Box” is driven by mainly one private company - Black Rock, that we have to take back and nationalise to serve Humanity. So how hard can it be? Black Rock has associates who are Your local passports issuing private companies, like French Thales that rules Swedish passport systems, who We have to take back first, to get status remedied.

You Yourself Take Back Your passport by writing in it what You need to regain Your status as Alive Human, to get bach Your indigenous and state stocks and balances, and forbidding anyone

to use Passports chips or personal numbers, that are victim codes for IBM since Auschwitz data machines of now World Wide Convergence Death Camps.

I conscript You to create Peace by working in Godlands civil and military non violent LoveOrder complex, that regains Humanities Life on Earth. Write to info@labie.lv in Latvian or Russian, or to info@loveorder.info in Swedish or English.

You dont have to write, if You can act on Your own using previous Godlander statutes, checks and laws translated to Your languages. This is a system that has to work without our signatures as We cannot handle Billions of mails. Just Download all mentioned statutes, oxa checks and indigenous rules, get a knife, saw and axe, and start carving Your rune coins and tally sticks, get them accounted in Your booklet of Your local Indigenous Court and start using oxa WIR World Indigenous Rune currency that each man and woman or other create for themselves a kvota of each month etc.

4.11. Godland process of three national leader officials replacement with a Love Order of Godland Human.

I congratulate Ricardo Maarman and 8800 Humans in South Africa for filing the application to THE CONSTITUTIONAL COURT OF SOUTH AFRICA CASE NO: CCT 299/21, for COVID lie crimes committed by their President, Speaker of Parliament, and Governor of Central Bank of SA, fr South Africas application https://50bfc63a-1b14-4595-8da1-c38639c33338.filesusr.com/ugd/7a8151_b270e395ba2e44828c6c1587ab1a7702.pdf

and demands to

Check FAILED CONSTITUTIONAL CHECKS AND BALANCES – SYSTEMIC FAILURE

Competing interests and divided loyalties in the Presidency – Party Vs People. There is clear evidence from almost all national Presidents that the so called elected officials are there now to represent Bill Gates, Pope Francis UN IMF pirates and not nations people. This is a clear breach of any Constitution.

But know now, what has been hidden by Central bankers, - it is about the Checks and Balances of Stock holders – the citizens of each Nation, the most valuable there is – Humans of the Nation, with local Tribes having priority of leadership of their ancestor lands, as Local Tribe decisions, approved by emperor Ditta of Godland, are the highest law of the Nation now.

Be careful not to do what Bill Gates mafia is now planning – liquidation of all national states and their central banks, for occupied territories to be managed by Quantum Super Computer AI for them.

4.12. Remain central banks but Take Back them into Indigenous Society control, with citizen stocks and balances as ownership stock for Central banks.

So I order all courts to remain central banks but Take Back them into Indigenous Society control, with citizen stocks and balances as ownership stock for Central banks, and Loving and Devoted Indigenous Society leaders as managers of these central banks.

Clear constitutional systemic failure was when Presidents limited nations Bill of Rights without having provided reasonable justification as they should have done, that the Financial Ministries and Central banks coordinate constitutional powers to aid the Presidents and Minister Cabinets financially **without first having independently verified the claim of the said COVID 19 virus as they should have done** and that Parliament failed to keep the President accountable as was expected by the Constitution. In fact Parliaments aided the Presidents by passing the adjusted “COVID-19” budgets to establish all fraud full COVID business warfare processes, products and services.

It is clear that 1)the separation of powers, for the protection of the people from abuses of power, and 2) use of National checks and balances, - intended by National Constitutions, failed in almost all countries.

RECOURSE – RELIEF SOUGHT. Practicality of the recourse Changing the office-bearers and retaining the system, cannot correct systemic failure. Systemic failure cannot be addressed by the same people and structures that caused it in the first place. The Constitutional Courts cannot correct such systemic failures, that would be judicial over-reach, but it has the authority and right to order the President to refer the matter to the people through the only means available for such, - a referendum. Orderliness of the recourse. The Court is well within its rights to order notice periods. The Court could similarly order the conformance to set procedures and controls. The Court could order transitional periods. All such measures would ensure that the recourse order or directed would happen in an orderly manner.

But these remedies take time, that many nations do not have, as most of population have been poisoned within matter of months with COVID injektions, that have to be forbidden immediately.

Furthermore, all nation Presidents /Monarchs are cited in their official capacity as the highest office in the Republic/ Democracy/Monarchy etc charged with upholding, defending and protecting the Constitution as the supreme law of the Republic/ Democracy/Monarchy.

Relief sought against the President /Monarch etc is for this Honourable Court to find the said declaration of National State of Disaster to be invalid and to be set aside; I Ditta of Godland order resignation of the COVID 19 2020 President/Monarch if they approved the imposed unconstitutional restrictions; for these President/Monarchs not to be held personally liable for financial losses suffered by their nations people as a result of their constitutional failures, but their health as Targeted Hybridised and Gene Modified Individuals properly addressed and incomes revised and Godlander Rights established for them; an order to compel the President/Monarch to call a leadership referendum that has to be in agreement with Ditta of Godland: as vote of no confidence in all the COVID 19 respondents from 2020, except the 4 presidents that were murdered for not compying with the Fashist WEF/UN/WHO /IMF etc ;

Every National Applicant and co-applicants will receive all service and correspondence to the address they have chosen, but Every National Applicant has the support and protection in jurisdiction of Godland that is All application guardian at address of Ditta Rietuma, Södra

Jordbrovägen 25, Jordbro, Sweden as the address at which the Applicant will accept service of all process in these proceedings.

Service on the Applicant will also be effected electronically at the applicant's email.

Beloved victims and perpetrators, Your fastest recovery will be achieved by Affidavit of the Crimes committed to You and by You. Please don't hesitate and take Your Time to put it all in general lines in writing, and send it to Your local Indigenous Courts of Godland that will Lovingly address Your heavy situation to create Remedies of Godland for You, You family, Tribe, Peoples, Nations etc. If You don't have such Local or National Courts of Godland, You have to create them. You not only don't have to have any Law training, but people with Roman or other Abrahamic religious court inquisition training, are not allowed to practice Love Order Justice of Godland, as they have been trained to focus on punishments and create suffering, without true tools to share resources lovingly for Survival of Humanities each member.

4.13. The First Respondent is the PRESIDENT OF THE REPUBLIC ("the President") or the Monarch or other

The First Respondent is the PRESIDENT OF THE REPUBLIC ("the President") or the Monarch or other highest title, whose office is paid by Nations Citizens, and whose all full and further details are unknown to me.

Relief sought against any President/Monarch is for this Honourable Court of Godland to find any declaration of National State of Disaster due to COVID 19 to be invalid and to be set aside;

This is order of resignation of any by Bill Gates/Pope Francis mafia remotely controlled President - with duty to stay working as an assistant of new Indigenous President who is in Contracts of Godland Love Order;

for the new Indigenous President - in Contracts with Godland - to be examined and rehabilitated from all remote control gadgets and Mind Control chips, nano dust, etc,

for the Presidents not to be held personally liable for financial losses suffered by the people as a result of constitutional failures, but letting nations Humans to start using oxa stocks and bonds of self created checks and tally sticks, accounted at local indigenous courts, to establish remedy and compensations;

an order to compel the new Indigenous President - in Contracts with Godland - to call a reliable, non digital referendum: as vote of no confidence in all the criminal remote controlled respondents;

a vote to decide on direct Presidential elections and individual candidates instead of party-lists (to remedy lack of separation and accountability between Parliament and the President) as suggested by Acting Chief Justice Ditta of Godland and agreed by the President under oath;

Ditta of Godland decides upon Take Back of all central banks and commercial banks that are now nationalized by nations citizens who are the share and stock holders of nations stocks and balances, therefore reforming financial and monetary systems (to remedy the lack of

independence of our monetary system, the current exposed risk of systems failure and to provide compensation as consequence of financial losses suffered) and costs in the event of opposition.

Service will be effected on the President electronically or by mail, at the current President's email address or address

4.14. The Second Respondent is the SPEAKER OF PARLIAMENT

The Second Respondent is the SPEAKER OF PARLIAMENT

The Speaker is cited in official capacity as the presiding officer of the Parliament, which represents the Parliament. Most Constitutions of any republic leave no doubt that members of the executive, both individually and collectively are accountable to Parliament.

Relief sought against the Speaker is the Order of resignation of the Speaker, the former Speaker and the voluntary dissolution of Parliament in an orderly manner; for the members of parliament including the former Speaker to be held personally liable for all financial losses suffered by the Nations people as a result of their failure to adhere to the constitution and costs in the event of opposition.

4.15. The Third Respondent is the GOVERNOR OF THE RESERVE BANK of any nation

The Third Respondent is the GOVERNOR OF THE RESERVE BANK of any nation

The Governor of the Reserve bank is cited herein in his capacity as head of the Republic's central bank whose primary purpose is to protect and safeguard the value of the currency in the interest of balanced and sustainable economic growth in the Republic or Monarchy or any other national form.

The Reserve Bank, headed by the Governor of the Reserve Bank is empowered by the Constitution to perform its functions independently without fear, favour or prejudice.

Relief sought against the Governor is that the governor his deputies and the entire board are dismissed from governance, but shall remain in work as assistance of the new Godlands Indigenous Governor of the Nation,

the board is not held personally responsible for financial losses suffered as a result of their failure, as this is a systemic fascist plot by IMF /WB/ Vatican and no board had a chance to stop the Death Cult systemic error without having an outside systemic shifters, like Ditta of Godland,

No institutions are held financially liable along with those who acted in a subordinated fashion at the direction of and in concert with the central bank, their employees get all remedies of any Godlander Rights and Duties,

to adjust the money and credit, and costs in the event of opposition, oxa checks of Godland are used.

Service upon the Governor of the Reserve Bank will be effected electronically or by mail, at the Governor's email.

Abolish Vaticans UN WHO Bill Gates Tyranny, regaining the highest laws and privileges of Your clan on Your native lands by translating the sanscrit Latvian highest law of rule of Latvian Society on their lands of Latvian predecessors, adapting it to Your – any tribe, any language, any nation, on any continent. Translate fr Latvian from <http://www.labie.lv/wp-content/uploads/2016/02/Deklar%C4%81cija-CNWS-IV-oxo.pdf>

Use the 3 statutes of Godland to establish local by indigenous people controlled banks and courts, as well as all takebacks of all state and international structures, using The Rights of Godlanders.

www.LoveOrder.INFO

If You don't regain Your ethnical Tribes power from Bill Gates mafia now, Humanity will be destroyed irreversibly very soon – within months now.

Humans are transformed into Sterile Humanoid Mobiloids in 4 stages. All 4 stage groups destroy Humanity, but when stage 4 is reached, Humanity can not be restored. Western countries are already in late stages of 3rd stage.

3.2. Four stages of Murdering of All Humanity:

1. World Wide Human Tyranny. By Bill Gates/IMF/Vatican/WHO money monopoly Mind Controlled (MC) Humans, whose rights and duties in their state are abolished and their stocks in Humanities stock exchange have been stolen, and Humans can no longer express the difference - if they work for their family, ethnogenetic group, nation, Humanity, but they **work for IMF money** in All Humanity Murdering companies, that have overtaken local and national governments, and are de facto in contract with global Death Cult conglomerat and are building Humanities Execution Death Products and Services , even sterilising and executing all other species. With changed leadership to Human Wise Humanity Looyal leaders who establish safe monetary and other social systems, Humanity can be recovered completely from this stage of Annihilation of Humanity, if other Earthling Species have not been sterilised. Indigenous Courts of Godland restore Human Civilisation through 4 contracts attached to any national passport – on Worldwide Healing Love Order of Godland leadership, on National State Stocks of Citisens, overarching Human Rights and Duties of all Godlander Humans and others, proclaim Take Backs loudly anywhere You need.
2. World Wide AI Hybrid Tyranny, Drones. With global total world tyranny established AI controlling - all humans through digitalised SDR Social Scoring points instead of national banking currencies in cash, all electric grids, all mobile communications, all weather chemtrail plane parks, all military of all nations, all Sky Net satellite struktures on Earth, all universities and all civil structures of humanity, now the level of execution of Humanity through transformation of Humans into Hybrids is established by imposing into Human environment of invisible attack warfare like Neuronet brain chips, Morgellons self- replicating nano machine fibers, Chemical poisons, Nano robots and alive parasites into influenza vaccines given by unsuspecting naive and overworked medical establishment. MC Zapped Humans are further exposed to Radiation Frequency (RF) 3G 4G 5G 6G hypnoses and damage on cellular levels, with microwave injuries, with all systemic MC fr previous level. With changed leadership, can be rescued with Ivermectin etc, hybrid robotic parts dismantled, and often recover, even completely, but mostly remain sterile. Abortions are forbidden and last fertile Humans have all gene protection priviliges on any lands. The last fertile and for them caring Humans must have completely separated geografical areas from exposure to hybrid victims, and cant be under victim leadership.
3. Genetically Modified AI Zombie Humanoids, electric driverles cars. Stage started with lies on COVID pandemic completed by Gene Modification Injections, Humans and Hybrids are injected with Graphene Oxyde and zapped with Charles Lieber Nano transistors, turned into Gene-Modified Spike-Protein-Contagious Zombies remotely controlled by

RF. After 3rd injection they no longer have Mind to Control. Part of this group got Placebo and can be reversed to Humans, if Jesuit Military Synagog IBM lists of all numbered COVID-injection placebo bottles, are retrieved from Stand Down ordered military. This group can not be recovered into Humans completely, by now known means. Most of the gene modified die in 2 years of cellular self-termination, diagnosed as AntiBody Enhancement.

Abortions are forbidden and last fertile Humans have all gene protection privileges on any lands. The last fertile people must have completely separate lands free from exposure to genetically modified victims. To save humanity, abortions in all genetically modified countries are prohibited, and the last fertile Humans have all the privileges of gene protection in any land. To protect human birth, Genetically Modified and Gene-Ecological Humans must wear the status of a sign and distance themselves, but only physically, developing unprecedented human – transhuman love spiritually is a must for survival of Humanity.

4. Humanoid Mobiloids that are replaced by Humanoid Robots fr Elon Musk and Boston Dynamics, Mitsubishi etc. The few surviving leftovers from Humans in stage 4 are called Humanoid Mobiloids and are PostHuman Remotely Controlled Gene Modified Sterilised Humanoid Mobiloids, that try to do whatever their Mobile phone Master fr IMF/Vatican AI center tells them to do, though they have confused if any capacities and no Mind of Own to Control. Recovery into Human is impossible and no Human force that could try to rehabilitate is longer available, as Humanity is extinguished.

3.3. Godlander Take Backs - of All from Humanity by Bill Gates/Vatican/ IMF/UN mafia stolen national and indigenous resources.

A process of Godlander Take Back is claimed everywhere where necessary, but especially as a capitulation request to national state annual accountance, as return of all structures and means of Humanity to Human leaders in secure contracts with Ditta of Godland.

The only Humans who have preserved Divine Human Love Order Culture are indigenous humans who still practice divine natural laws of their predecessors. That's why indigenous leaders are now the rulers of the Earth. If indigenous leaders of Godland are not obeyed now last months of 2021, Murder of All Humanity will be accomplished through Agenda 21 already by 2030, when all Humans will have been extinguished, with Humanoid Hybrids and Zombies, and Robots moving around instead of Humans.

Local Indigenous and National leaders sign oath of loyalty to Humanity and all four contracts of Godlanders, with emperor of Godland –Ditta of Godland, that replace Jesuit Death cult popes Pope Francis and Arturo Sosa, to dismantle Death Cult and establish safe LoveOrder for Humanity. All transhuman victims are receiving amnesty if they manage to stop Murdering Humanity, and Stand Down from their uninformed and unlawfull oaths to Death Cult, that are all Null and Void.

You have to immediately download Oxa checks of Godland and translate them to Your native language, and let each Humanity loyal Human to fill them themselves or fill it for them each month, accounting in indigenous court registries of World Indigenoua Human Love Order Banks

and Courts of Godland, that You open everywhere after signing contract with Ditta of Godland. You can ask local Jesuit government council to convert WIR oxa in by them without vote enforced currencies/SS points, or create WIR tally sticks and rune coins, creating real financial system ReSet to LoveOrder of Godland.

Carve tally sticks and rune coins of Your indigenous designs, register them in Godland and local indigenous and citizen stock exchanges, that are added all retrieved stocks from pirate Bill Gates /Morgan Stanley / Nasdaq/ Vatican / IMF stock exchanges and are now repatriated state and local council resources of Indigenous/Citizens/Humans.

Translate Your coupon rationing booklets with contracts and labor for Humanity coupons and Take Back all labor market and fill in investment, Take Back, Stand Down, Land Management oxa checks, taking back all Ministries of Humanity from All Humanity Murdering pirates, that are Standing Down now, being liberated from Zapped Mind Controlled states for rehabilitation and life in Love Order of Godland.

Take Back Your local grocery stores and stock exchanges that were public village stocks of village all stock holders, likewise Take Back Police and Military, Governments and Agencies, with decrees of Ditta of Godland on nationalisation of all stolen state structures, to be ruled by indigenous leaders in contract with Ditta of Godland. Here is the decree by Diarch Leif of Godland on nationalisation of all state property and states geographical resources to be governed by local indigenous people, even on last pages filled and scanned Take Back oxa check for Haninge Police department, that they refused to take in and register for process of lawful communications and accounting revision, therefore proving that they are biorobotised forces of by Bill Gates/Jesuit Vatican occupied Haninge city and Kingdom of Sweden stolen occupied state, run from SEC.gov as SWEDEN KINGDOM OF corporation of DC.

Skapa elektricitetsoberoende geografiska områden i återtagna nationella stater inom Kärleks Ordningens av Gudalandet domsrätt/ jurisdiktion, med 143 Milliard WIR/Euro/USD oxa -lager stock för varje Människa/Hybrid Humanoid/Zombie Humanoid, för rehabilitering tillbaka till kärleksfulla människor. Fyra stadier av Avrättning av Hela Mänskligheten-1) Jorden vid Mänsklig Tyranny, 2) Världen Vid AI Hybrid Tyranny, Dronerna, 3) Genetiskt modifierade AI Zombie Humanoider, autopilot elbilar, 4) Humanoid Mobiloider, ersätts av Humanoid Liknande Machiner och Robotar. Gudalandets TillbakaTag - av alla från Mänskligheten av Bill Gates/Vatikanen/IMF/FN: s maffia -pirater stulna internationella, nationella och lokala resurser av urfolk/medborgare/människor.

Alla ska veta att Ditta of Godland har skapat, utlyst och beviljat en försäkring för Kärleks Ordning/ Love Order Universellt och på Jorden/Earth för varje levande varelse, och det är giltigt även om det levande varelsen inte säger ett ord om det. Men för att den tryggheten ska finnas, finns det mycket arbete att göra varje ögonblick så länge mänskligheten finns. Du bestämmer - om du slutar arbeta för Döds Kulten, som Mördar Hela Mänskligheten och Allt Levande, och börjar vara Kärleks Ordningens skapare på Jorden - att vara den ansvarige Gudaländaren.

Jag rekryterar alla etniska stam-/klan-/folk ledare för att vara deras stammars försvarare genom Stammkommissioner i Godland (som LaBie.lv för lettiska). Jag rekryterar alla nationella regeringar för människor att bli räddare för människor i din nation genom nationella regeringar i varje State of Godland. Jag rekryterar alla mänskliga inhemska ledare och nationella och internationella experter som är mänskliga, älskar människor och är lojala mot människor, för att

vara världens inhemska mänskliga kärleksordningsregering i Godland, i världsregeringen i Godland, som tar tillbaka alla mänskliga resurser från Satanic Jesuit påve Francis militära ordning av bio-digitali-konvergerade hybrider som mördar mänskligheten, förvandlar människor till fjärrstyrda hybrider och genetiskt modifierade zombies.

Jag kallar till lokal, nationell och internationell världsregering i Godland som kommer att upprätta fred efter 108 år av jesuit FED, världsomspännande romersk krigslag. Jag kallar in militär värnplikt för Godland Love Order of any Human vänster genetiskt inte modifierad och inte hybridiserad av medicinska fashism tester, injektioner och andra procedurer! Bevisa kontraktet via info@loveorder.info och på telefon 00371-29811064. Mer på www.labie.lv, www.LoveOrder.INFO och MSS.legge.net.

Inga stridsvagnar och inga vapen behövs. Men vi behöver en handfull människor som åtar sig att underteckna fredsfördraget mellan människor och dem utan informerat samtycke Hybridiserade och zombifierade, för Take Back och ReHumanisation. Vi behöver hjärtekloka ledare för fredssanningskommissionerna för att garantera mänsklig överlevnad som är omöjlig utan seger som stoppar desinformerad medicinsk fashism - för att rädda alla nationer och alla människor i världen från hybridiseringen och genmodifieringen av mänskligheten genom Covid -processen på grund av smygande av all rikedom, på grund av överträffade kommersialiserade fjärrstyrda domstolar etc.

Praktisk metod för Human Godland Take Back från hybridiserade och genmodifierade offer som mördar mänskligheten.

Eftersom all mänsklighetens regering nu har omkörts av postmänniskor, eftersom de har hybridiserats i bio-digital-konvergens nano- och RF-teknik, och injicerats med genmodifierande C-projekt, och som absolut inga ekonomiska eller praktiska resurser har tillhandahållits för människor som vägra döld genmodifiering och hybridisering, mänsklighetens död är oundviklig, om humanitära resurser inte återlämnas till människor just nu -för överlevnad av mänskligheten och rehabilitering av hybridiserade och zombifierade aggressiva offer.

Tidslinjen är avgörande, det kommer inte att vara möjligt längre, särskilt för västländer, även dagar senare, efter att barn har genmodifierats, i oktober år 21.

Du, Gene Ecological Human or Hybridised, eller Zombified, besök LoveOrder.info -sidan och ladda ner alla tre grunddokument för världsomspännande Godland -domstol och bank samt Godlanders rättigheter. Du laddar ner lettisk kupongavtalshäfte 22 sidor, samt privilegier för ursprungsbefolkningar på deras land av föregångare lag, fr 7. mars år 16. Skaffa dig en kopia av deklaration om ursprungsbefolkningarnas rättigheter från FN fr 13. september 7 .

Du övertygar Gen Ekologisk Människa, eller gör det själv, skriver till dem övertagna/fr folket stulna myndigheternas administration för TillbakaTagande/TakeBack:

1) till Högste revisor för deras lokala och nationella regeringsbudget, med Dittas of Godland - förordningar och bevis på lokal pågående hybridisering och zombifiering genom otestade nya COVID 19 -projekt, och kräv återtag av mänsklighetens resurser som har konstituerats av människor för Mänskliga samhällen, inte avrättnings platser.

2) Tilltala även producenter av nationella pass, som har registrerat alla människor som personer, utan att ge dem avtal om aktier i sina mänskliga nationella stater. Du åberopar laglig process för att rätta till det. Korrigerera ditt pass med en penna vid den lokala inhemska domstolen, lägg till G- (Initialer i din nationella stat)-framför föregående passnummer som lämnas där det var. Ange datum för korrigerande, inhemska huvudtecken och register i din inhemska registerbok i Godland, med handstil. Därefter har du undertecknat att upprätta alla 14 Godlanders rättigheter och skyldigheter och skydda mänskligheten, och du har fyra nivåer av kontrakt med Diarchs of Godland, som upprättar Universal Love Order. Översätt dessa kontrakt från lettiska www.labie.lv/wp-content/uploads/2014/11/Līgumu-Kuponu-burtnīca-LB-12020-X.pdf till ditt språk, om du kan, men de är giltiga även utan det, på grund av All Humanity Murder attack, och alla behöver skydd, tillhandahålls av Ditta of Godland.

3) Utfärda en sammanfattad oxakontroll av Godland of Take Backs / Stand Downs till regeringen, liksom för månatlig oxa inkomst för varje medborgare - mänsklig, hybridiserad eller zombifierad. Skicka skannade bilder av dessa kontroller till ekonomi- och ekonomichefer för administrationen för att konvertera och leverera till var och en av dem tagna gisslan Human, Hybridiserad eller Zombified. Även till World Indigenous Human LoveOrder Bank of Godlands direktör Ditta of Godland via info@loveorder.info. Som du vet att de inte kommer att konvertera checkar på ett tag, förbereda trä runmyntproduktion och räknar ihop kontrakt och stora affärer. 4) All mark, allt boende och alla andra mänskliga resurser nationaliseras av Godland redan 5.9.19., Och måste skickas tillbaka till människor för överlevnad av mänskligheten, för att distribueras av mänsklig styrning, även för hybridiserade och zombifierade post-människor . Lokal mat och grundläggande nödvändighetslager och butiker mm kommer nu att komma överens med Dittas of Godland world Human Indigenous Government, och människor i samförstånd med Ditta of Godland har all rätt att ta kontroll över dessa resurser som ska delas för alla. 5) Kontakta hälsovårdsbyrån för att åberopa lagligt förfarande för Take Back av alla sjukhus och universitet till mänsklig styrning för att rehabilitera alla, men särskilt Hybridiserade och Zombifierade människor, som har gått ner från alla maktpositioner, eftersom de fjärrstyrs till Murder Humanity 6) All polis och militär tas tillbaka till arbetet för mänskligheten istället för hybrider och zombifierade postmänniskor 7) Alla fängelser öppnas och alla människor i dem släpps, men alla verkliga kriminella får bo på fältet för att rehabilitera säkert där de är älskade och kärleksfulla. Ingen behöver straffas för denna Murder of Humanity -händelse - varken Kariņš eller Bill Gates eller påve Francis, men de måste lämnas utan makt, och kärleksfulla pålitliga Huans ersätter dem nu. Du måste tillträda och arbeta i inhemska uppdrag, Human Government och World Godland Government för att kontrollera och rehabilitera internationella och nationella regeringar genom att utfärda oxakontroller så att alla kan återhämta sig, men alla produkter och tjänster som är nödvändiga för återhämtning måste du också skapa och göra tillgänglig att erbjuda, så gör inte meningslösa kommentarer istället för att skapa ett Godland - land Love Order -styrning. Känn inget hat mot Dina mordiska regeringar, som Kariņš och Levits i Lettland, de är inga mordiska skurkar, men beroende på Mind Controler Neuralink RF Medical Fashist -manipulationer kränkte dem - bara en fjärrstyrd hybrid eller genmodifierad Zombie - en postmänniska fjärrstyrd biorobot. Vi är mycket mer intresserade av att veta namn hos personer som kontrollerar dessa fjärrstyrda offer, som har den centrala matrisens kontrollpanelknappar, för order till bio-digi-konvergerade och programmerade Hybrider and Zombies-to Murder All of Humanity, på subtila indirekta sätt. Kariņš och andra statliga gisslan Hybrider är offer för fjärrkontrollcentra för hybrid-zombie-teknik i IBM/ Quence/ Vatikanen och måste avhybridiseras och kärleksfullt återställas så mycket som möjligt, som offer för modern teknik som gjorde dem omänskliga, vilket är mest skrämmande upplevelse som kan finnas. Denna process är naturligtvis över oss på grund av de obegränsade oreglerade vetenskapliga projekten

och bristen på reglering eftersom Humanities Court Suystem inte har kunnat hantera dessa nya produkter och processer av bio-digital concergense, Morgellons, vädervapen, RF och alla finansiella system stulna av AI -kontroller etc. Så nu är detta resultatet av oreglerad vetenskap som blir tokig och Murder Humanity. Om vi inte får tillbaka hela den här processmatrisen till Black Box den kom ifrån, är mänskligheten klar. Vi måste ta tillbaka alla vapenstyrda kontrollrum för styrning av Chemtrailförgiftning och vädervapen, bank, telokommunikation och satellit, farmakologi, medicin, militär och polis, livsmedels- och jordbruksindustrier etc. Alla ledare för dessa avgörande rester av mänsklig civilisation beordras att stå upp från att ta order från Bill Gates WHO/ IMF/ UN AI Super Fashist Murderors of Humanity, och ta order från Ditta of Godland nu. Den goda nyheten är att "Black AI Mega Box" drivs av huvudsakligen ett privat företag - Black Rock, som vi måste ta tillbaka och nationalisera för att tjäna mänskligheten. Så hur svårt kan det vara? Black Rock har medarbetare som är Dina lokala pass som utfärdar privata företag, som du måste ta tillbaka först, för att få statusen klargjord. Du tar själv tillbaka ditt pass genom att skriva in det du behöver och förbjuda någon att använda dess marker eller personnummer, som är vicitm -koder för IBM sedan Aushwitz -datamaskiner från nu World Wide Convegence Death Camps. Jag uppmanar dig att skapa fred genom att arbeta i Godlands militära icke -våldsamma LoveOrder -komplex som återfår humaniora på jorden. Skriv till info@labie.lv på lettiska eller ryska, eller till info@loveorder.info på svenska eller engelska.

Du behöver inte skriva till oss om du kan agera på egen hand med hjälp av tidigare Godlander - stadgar, urkunder och lagar översatta till dina språk. Eller uppfattade av Dig på annat sätt. Detta är ett system som måste fungera utan våra signaturer eftersom vi inte kan hantera miljarder e - postmeddelanden. Ladda bara ner alla Gudalandet konstituerande stadgar, malalr av oxa checkar och inhemska regler, skaffa en kniv, såg och yxa och börja hugga dina run-mynt och karvstockar, få dem redovisade i ditt häfte om din lokala inhemska domstol och börja använda oxa WIR World Indigenous Rune -valuta där varje man, kvinna eller liknande, skapar en viss kvot varje månad osv.

Alla ska veta att Ditta of Godland har beviljat varje levande varelse en försäkring för Kärleks Ordning på Jorden, och den är giltig även om den levande varelsen inte säger ett ord om det. Må mänskligheten etablera LoveOrder of Godland på jorden nu!

Om du inte återfår dina etniska stammars makt från Bill-Gates-maffian nu, kommer mänskligheten att förstöras oåterkalleligt mycket snart.

Människor omvandlas till sterila humanoid-mobiloider i fyra steg. Alla fyra etappgrupper förstör mänskligheten, men när steg 4 nås kan mänskligheten inte återställas. Vi i Sverige är redan i sena skeden av tredje etappen.

1. Av Bill Gates/IMF/Vatikanen/WHO Mind Kontrollerade pengemonopol beslavade människor, som inte kan känna skillnaden - om de arbetar för sin familj, etnogenetiska gruppen, nationen, mänskligheten, men de arbetar för IMF-slav-pengar i fiendens företag, som har tagit över lokala och nationella regeringar och har de facto avtal med globala Döds Kultens konglomerat och bygger dödande produkter för Mänskligheten. Med förändrade monetära och andra sociala system kan dessa återvinnas tillbaka helt.
2. Morgellons, Chemical, Nano robot och parasit skadade, MC Zappade Människor, utsatta för ElektroMagnetisk Strålning (EMS/RF) 3G 4G 5G 5G 6G med hypnos fr mobil tecknologi, med mikrovågsskador, med MC fr tidigare nivå. Kan botas med Ivermectin etc och återhämta sig ofta helt.
3. Biologiskt förändrade postmänskliga humanoider-injicerade med Graphene Oxyde och Charles Lieber Nano-transistorer zappade genmodifierade spikprotein-smittsamma zombies som fjärrstyrs av RF. Efter tredje injektionen har de inte längre Mind to Control. En del av denna grupp fick Placebo och kan återföras till människor, men fick veta att de fick vaccin. Jesuit Military Synagog IBM hade de militära listorna över alla COVID-injektionsflaskor numrerade. Kan inte återvinnas till människor helt med kända medel. De sista bördiga människorna måste vara totalt isolerade från exponering för genmodifierade offer. De sista bördiga människorna måste vara helt isolerade från exponering för genetiskt modifierade offer. För att rädda mänskligheten är aborter i många genetiskt modifierade länder förbjudna, och de sista bördiga människorna har alla privilegier för genskydd i alla länder. För att skydda människans födelse måste genetiskt modifierade och genekologiska ha status som ett tecken och ta avstånd.

Ziniet, ka Dievzemes Ditta ir piešķirusi apdrošināšanu Mīlestības kārtībai uz Zemes katrai dzīvai
būtnei, un tā ir derīga pat tad, ja šī būtne par to nesaka ne vārda. Bet, lai šī pārliecība būtu spēkā,
katru brīdi ir jāpaveic daudz darba, kamēr vien pastāv Cilvēce. Jūs izlemjat, vai pārstājat strādāt
Nāves kulta, slepkavības cilvēces un visu dzīvo labā, un sākat būt Mīlestības kārtības spēks uz
Zemes - atbildīgais Godlanders. Es pieņemu darbā visus etnisko cilšu/klanu/tautas līderus, lai tie
būtu savu cilšu glābēji, izmantojot Godland cilšu komisijas (latviešiem kā LaBie.lv). Es
pieņemu darbā visas cilvēku valdības, lai tās būtu jūsu tautas cilvēku glābējas, izmantojot
jebkuras valsts valdības Godland valsti. Es pieņemu darbā visus cilvēku pamatiedzīvotāju
vadītājus, kā arī nacionālos un starptautiskos ekspertus, kuri ir cilvēki, mīl cilvēkus un ir lojāli
cilvēkam, lai tie būtu pasaules pamatiedzīvotāju mīlestības kārtības valdība Godland, pasaules
zemes valdībā, kas atņem visus cilvēces resursus no sātāniskā Jezuītu pāvesta Franciska militārais

ordenis ar bioloģiski digitāli saplūstošiem hibrīdiem, kas slepkavo cilvēci, pārveidojot cilvēkus par tālvadības kontrolētiem hibrīdiem un ģenētiski modificētiem zombijiem. Es aicinu vietējo, nacionālo un starptautisko Godlandes pasaules valdību, kas nodibinās mieru pēc 108 gadu jezuītu FED pasaules mēroga romiešu kara likuma. Es aicinu militāro iesaukšanu Godlandas mīlestības ordenī jebkuram cilvēkam, kas ģenētiski nemodificēts un nav hibridizēts ar medicīniskā fašisma testiem, injekcijām un citām procedūrām! Pierādiet līgumu, izmantojot info@loveorder.info un pa tālruni 00371-29811064. Vairāk www.labie.lv, www.LoveOrder.INFO un MSS.legge.net. Nav vajadzīgi tanki un ieroči. Bet mums ir vajadzīgi daži cilvēki, kuri uzņemas parakstīt Miera līgumu starp cilvēkiem un tiem, kuriem nav informētas piekrišanas Hibridizēts un Zombificēts, lai atgūtu un pārcilvēcinātu. Mums ir vajadzīgi sirds gudri miera patiesības komisiju vadītāji, lai garantētu cilvēku izdzīvošanu, kas nav iespējama bez uzvaras, kas aptur dezinformētu medicīnas fašismu - lai slepkavības dēļ glābtu jebkuru tautu un visas pasaules tautas no cilvēces hibridizācijas un gēnu modifikācijas masāžas. no visas bagātības, pateicoties apsteigtajām komercializētajām tālvadības kontrolētajām tiesām utt. Praktiskā cilvēka Godlandes metode Atpakaļ no hibridizētiem un gēnu modificētiem upuriem Slepkavot cilvēci. Tā kā visu cilvēces valdību tagad ir apsteiguši postcilvēki, jo tie ir hibridizēti bio-digitalās konverģences nano un RF tehnoloģijās un injicēti ar gēnu modificējošām C injekcijām, un kā absolūti nekādi finansiāli vai praktiski resursi nav paredzēti cilvēkiem, kuri atteikties no slēptām gēnu modifikācijām un hibridizācijām, cilvēces nāve ir neizbēgama, ja humanitāro resursu atdošana cilvēkiem netiek veikta tieši tagad - cilvēces izdzīvošanai un hibridizētu un zombētu agresīvu upuru rehabilitācijai. Laika grafiks ir izšķirošs, tas vairs nebūs iespējams, jo īpaši Rietumu valstīm, pat dažas dienas vēlāk, pēc bērnu gēnu modificēšanas, 21. oktobrī. Jūs, Gene Ecological Human vai Hybridized, vai Zombified, apmeklējiet LoveOrder.info lapu un lejupielādējiet visus 3 dibināšanas dokumentus visā pasaulē Godland tiesa un banka, kā arī Godlanders tiesības. Jūs lejupielādējat Latvijas kupona līguma bukletu 22 lappusēs, kā arī pamatiedzīvotāju privilēģijas uz viņu priekšteču likuma zemēm, no 7. marta 16. gads. Iegūstiet sev ANO deklarācijas par pamatiedzīvotāju tiesībām kopiju no 13. septembra 7. gada . Jūs pārliecināt Gene Ecological Human vai jūs pats sekojat cilvēkiem, kas nozagtas valdības TakeBack: 1) viņu vietējās un valsts pārvaldes budžeta galvenais revidents ar Dittas of Godland dekrētiem un pierādījumiem par notiekošu vietējo hibridizāciju un zombēšanu, izmantojot nepārbaudītas jaunas COVID 19 injekcijas, pieprasot Cilvēku veidoto cilvēkresursu atņemšanu. 2) Uzrunājiet pat nacionālo pasu ražotājus, kuri ir reģistrējuši visus cilvēkus kā personas, nesniedzot viņiem akciju līgumus savās cilvēciskajās valstīs. Jūs izsaucat likumīgu procesu, lai to labotu. Pareizi pases ar pildspalvu vietējā pamatiedzīvotāju tiesā, pievienojot G- (Jūsu valsts valsts iniciāļi)-iepriekšējās pases nr. Priekšā, kas atstāta tur, kur tā bija. Ievietojiet labojuma datumu, pamatiedzīvotāju galvenās zīmes un reģistrus savā pamatiedzīvotāju reģistrā Godland, ar rokrakstu. Pēc tam jūs parakstījāties, lai nodibinātu visas 14 Godlanders tiesības un pienākumus un aizsargātu cilvēci, un jums ir 4 līmeņu līgumi ar Godland Diarchs, kas nodibina Vispārējo mīlestības kārtību. Ja iespējams, tulkojiet šos līgumus no latviešu valodas www.labie.lv/wp-content/uploads/2014/11/Līgumu-Kuponu-burtnīca-LB-12020-X.pdf, taču tie ir spēkā arī bez tā, Visu cilvēces slepkavību uzbrukuma dēļ un ikviena ķermeņa aizsardzība, ko nodrošina Goditta Ditta.

3) Izniedziet valdībai kopsavilkumu par oxa čeku par Godland of Take Back / Stand Downs, kā arī par ikmēneša ienākumiem par katru okeānu par katru Citisen - cilvēku, hibridizētu vai

zombētu. Nosūtiet šo pārbaūžu skenētos fotoattēlus administrācijas finanšu un ekonomikas vadītājiem, lai viņi pārvērstu un piegādātu katram ķilnieku, cilvēku, hibrīdu vai zombētu. Pat pasaules pamatiedzīvotāju mīlestībai Onder Bank of Godland direktore Ditta of Godland caur info@loveorder.info. Kā jūs zināt, viņi kādu laiku nemainīs čekus, sagatavos koka rūnu monētu izgatavošanu un saskaitīs līgumus un lielus darījumus.

4) Godland ir nacionalizējusi visu zemi, visus mājokļus un visus citus cilvēces resursus jau 5.9.19., Un tie ir jāatdod cilvēkam, lai cilvēce varētu izdzīvot, un to sadala cilvēciskā pārvalde, pat hibrīdizētiem un zombētiem postcilvēkiem. Vietējie pārtikas un pirmās nepieciešamības preču krājumi, veikali utt. Tagad visi ir vienisprātis ar Dittas of Godland pasaules Cilvēka Inidgenous valdību, un cilvēkiem, vienojoties ar Ditta of Godland, ir visas tiesības kontrolēt šos resursus, lai tos varētu dalīt visi.

5) Sazinieties ar Veselības aģentūru, lai izsauktu likumīgu procedūru visu slimnīcu un universitāšu atgriešanai cilvēku pārvaldībā, lai atjaunotu visus, bet jo īpaši hibrīdizētos un zombētos cilvēkus, kuri ir atkāpušies no visām varas pozīcijām, jo tiek attālināti kontrolēti slepkavības cilvēci.

6) Visa policija un militārpersonas tiek atgrieztas darbā cilvēces labā, nevis hibrīdiem un zombētiem pasta cilvēkiem

7) Tiek atvērti visi cietumi un visi tajos esošie cilvēki tiek atbrīvoti, bet visi īstie noziedznieki var dzīvot laukos, lai droši rehabilitētos tur, kur viņi ir mīlēti un apburti.

Neviens nav jāsoda par šo cilvēces slepkavības notikumu - ne Kariņš, ne Bilis Geitss, ne pāvests Francisks, bet viņi ir jāatstāj bez varas, un tagad viņus aizstāj mīloši uzticami Huani. Jums ir jāstājas amatā un jāstrādā vietējās komisijās, Cilvēku valdībā un Pasaules Godlandes valdībā, lai pārbaudītu un atjaunotu starptautiskās un nacionālās valdības, izsniedzot vērsu čekus, lai ikviens varētu atgūties, bet visi atjaunošanai nepieciešamie produkti un pakalpojumi ir arī jāizveido un jāizgatavo var piedāvāt, tāpēc nesūtiet bezjēdzīgus komentārus, nevis izveidojiet Godlandas valsts Mīlestības kārtības pārvaldību.

Nejūti nekādu naidu pret savām slepkavīgajām valdībām, piemēram, Latvijā Kariņu un Levitu, viņi nav slepkavas ļaundari, bet atkarībā no Mind Controler Neuralink RF Medical Fashist manipulācijām pret viņiem - tikai ar tālvadību kontrolēts hibrīds vai gēnu modificēts zombijs - post cilvēks biorobots ar tālvadību.

Mums ir daudz interesantāk uzzināt to personu vārdus, kuras kontrolē šos attālināti kontrolētos upurus un kurām ir centrālās matricas vadības paneļa pogas, lai pasūtītu bioloģiski saplūdušos un ieprogrammētos hibrīdus un zombijus-slepkavot visu cilvēci, netiešā veidā. Kariņš un citi valdības ķilnieki Hibrīdi ir IBM/ Quence/ Vatikāna hibrīda-zombiju tehnoloģiju attālināto kontroles centru upuri, un tie ir jāatbrīvo no hibrīdizācijas un pēc iespējas ar mīlestību jāatgūst, jo tie ir upuri mūsdienu tehnoloģijas, kas padarīja viņus par necilvēcīgiem. visbriesmīgākā pieredze, kāda vien var būt.

Šis process, protams, ir saistīts ar neierobežotiem neregulētiem zinātniskiem projektiem un regulējuma trūkumu, jo Humanitāro tiesu sistēma nav spējusi tikt galā ar šiem jaunajiem produktiem un procesiem, kas saistīti ar bioloģisko digitālo saspēli, Morgellons, laika apstākļu ieročiem, RF un

visu finanšu sistēmu. nozagti AI kontrolieri utt. Tātad tagad tas ir rezultāts neregulētai zinātnei un riebjas cilvēcei. Ja mēs nesaņemsim visu šo procesa matricu atpakaļ Melnajā kastē, no kuras tā nākusi, cilvēce ir pabeigta.

Mums tagad ir jāatņem visas ieroču kontroles telpas, kurās ietilpst saindēšanās ar Chemtrail un laika apstākļu ieročiem, banku, telocom un satelītu, farmakoloģijas, medicīnas, militārās un policijas, pārtikas un lauksaimniecības nozares utt.

Visiem šo būtisko cilvēku civilizācijas pārpalikumu vadītājiem ir pavēlēts atkāpties no Bila Geitsa PVO/ SVF/ ANO AI superfašistu cilvēces slepkavu rīkojumu pieņemšanas un pieņemt pasūtījumus no Dittas no Godlandes.

Labā ziņa ir tā, ka "Black AI Mega Box" vada galvenokārt viens privāts uzņēmums - Black Rock, kas mums ir jāpaņem un jā nacionalizē, lai kalpotu cilvēcei. Tātad, cik grūti tas var būt? Uzņēmumam Black Rock ir līdzstrādnieki, kas ir jūsu vietējās pases, kas izsniedz privātus uzņēmumus un kuri jums vispirms jāņem atpakaļ, lai noskaidrotu statusu. Jūs pats ņemat atpakaļ savu pasi, ierakstot tajā vajadzīgo un aizliedzot nevienam izmantot tās mikroshēmas vai personas numurus, kas ir IBM vietējie kodī kopš pašreizējās pasaules mēroga konvekcijas nāves noņemtu Aušvica datu mašīnām.

Es iesaucu jūs, lai radītu mieru, strādājot Godlandas militārajā nevardarbīgajā LoveOrder kompleksā, kas atgūst humanitāro dzīvi uz Zemes. Rakstiet uz info@labie.lv latviešu vai krievu valodā vai uz info@loveorder.info zviedru vai angļu valodā.

Jums nav jāraksta, ja varat rīkoties pats, izmantojot iepriekšējos Godlander statūtus, čekus un likumus, kas tulkoti jūsu valodās. Šī ir sistēma, kurai jāstrādā bez Godzemes valdītāju parakstiem, jo mēs nevaram apstrādāt miljoniem vēstuļu. Vienkārši lejupielādējiet visus noteiktos Godzemes statūtus, oxa čekus un pamatiedzīvotāju noteikumus,

Iegūstiet koka apstrādes nazi, zāģi un cirvi, un sāciet griezt savas rūnu monētas un skaitļošanas kociņus, ņemiet tos vērā vietējās pamatiedzīvotāju tiesas bukletā un sāciet lietot oxa WIR World Indigenous Rune valūtu ka katrs vīrietis un sieviete izveido sev katra mēneša kvotu utt. Ziniet, ka Dievzemes Ditta ir piešķīrusi apdrošināšanu Mīlestības kārtībai uz Zemes katrai dzīvai būtnei, un tā ir derīga pat tad, ja šī būtne par to nesaka ne vārda. Lai cilvēce tagad nodibina Godlandes mīlestības pasūtījumu uz Zemes!

Globālā SDR Naudas tirānija, kas pārvērš cilvēci par sterilizētiem mobiloīdiem, tiek aizstāta ar uzticamu pašu radītu WIR oxu - čekiem, koka nūjiņām un rūnu monētām, lai normētu, dalītos un dāvanu ekonomikā, izmantojot Godzemes kupona līgumu normēšanu, kas izveidota sanskritā latviešu valodā. Ja jūs tagad neatgūsit savu etnisko cilšu varu no Bila Geitsa mafijas, cilvēce tiks neatgriezeniski iznīcināta ļoti drīz. Cilvēki 5 posmos tiek pārveidoti par steriliem humanoīd-mobiloīdiem. Visas 5 posmu grupas iznīcina cilvēci, bet, sasniedzot 5. pakāpi, cilvēci nevar atjaunot. Šobrīd ar C-inžekcijām jau transformēta lielākā daļā Rietumu tautu 4.posmā.

1. Bila Geitss/SVF/Vatikāns/PVO naudas monopols kontrolē cilvēkus, kuri nevar izjust atšķirību - vai viņi strādā savas ģimenes, etnoģenētiskās grupas, tautas, cilvēces labā, vai strādā par SVF naudu ienaidnieku uzņēmumos, kas ir apsteiguši vietējām un valstu valdībām, un de facto slēdz līgumu ar globālo Nāves Kulta konglomerātu, radot Cilvēci neuzkrītoši nogalinošus produktus un pakalpojumus. Mainoties monetārajām un citām sociālajām sistēmām, var pilnībā atgūties.
2. Morgellons, ķīmiski, Nano roboti un parazīti bojāti, MC Zapped Humans, pakļauti radiācijas frekvences (RF) 3G 4G 5G 6G hipnozēm šūnu līmenī, ar mikroviļņu ievainojumiem, ar MC fr iepriekšējo līmeni. Var izārstēt ar Ivermektīnu utt un bieži pilnībā atveseļoties, ja atslēdzas no RF u c bioieročiem.
3. Bioloģiski mainīti postcilvēk humanoīdi, injicēti ar grafēna oksīdu un Čārlza Lēbera nano tranzistoriem, kas ar RF palīdzību attālināti kontrolē ģenētiski modificētus, lipīgu spike-proteīnu izplatošos zombijus. Pēc 3. injekcijas viņiem vairs nav prāta pārvaldes, ko pašiem kontrolēt. Daļa šīs grupas saņēma placebo, un to var mainīt uz cilvēkiem, bet viņiem teica, ka viņi ir saņēmuši Cvaccine. Jezuītu militārajai sinagogai IBM bija numurēti visu COVID injekciju pudeļu militārie saraksti. Pēdējiem auglīgajiem cilvēkiem jābūt pilnībā izolētiem no gēnu modificēto upuru iedarbības. Lai saglabāt Cilvēci, aborti daudz gēn-modificēto zemēs ir aizliegti, un pēdējiem auglīgajiem cilvēkiem ir visas gēnu aizsardzības privilēģijas jebkurā zemē. Cilvēces dzimstības nosargāšanai, Gēn-Modificētajiem un Gēn-Ekoloģiskajiem jānēsā zīmes statusam. Ar zināmiem līdzekļiem nevar pilnībā atgūt par Cilvēkiem.
4. Mobiloīdi - PostCilvēces Attālināti vadīti GēnModificēti Sterilizēti Humanoid Mobiloīdi, kas automātiski dara visu, ko viņu mobilo telefonu AI meistars no SVF/Vatikānas liek darīt. Vairs nav nekāda prāta pārvaldes, ko pats varētu kontrolēt. Atgūšana cilvēcē nav iespējama.

Ни танков, ни оружия не нужно. Но нам действительно нужна горстка людей, которые обязуются подписать Мирный договор между людьми и теми, кто без осознанного согласия, гибридизирован и зомбирован, для возврата и повторной гуманизации. Нам нужны мудрые лидеры Комиссий по установлению истины мира, чтобы гарантировать человеческое выживание, которое невозможно без Победы, которая остановит дезинформированный медицинский фашизм - чтобы спасти любую нацию и любые народы мира от Гибридизации и Генной Модификации Масасера человечества через процесс Covid из-за скрытности всего богатства из-за захваченных коммерциализированных судов с дистанционным управлением и т. д.

Практический метод Человеческой Богоземли Godland Take Back возвращения всех ресурсов Человечества от гибридизированных и модифицированных генами жертв, убивающих человечество.

Поскольку все правительство Человечества теперь было захвачено Пост-Людьми, поскольку они были гибридизированы в био-цифровой-конвергенции нано- и РЧ-технологий, и им были введены инъекции, модифицирующие ген С, и поскольку людям, которые отказаться от скрытых модификаций генов и гибридизации, смерть человечества неизбежна, если возвращение человеческих ресурсов людям не будет сделано прямо сейчас - для выживания человечества и реабилитации гибридизированных и зомбированных агрессивных жертв.

Хронология имеет решающее значение, это больше не будет возможным, особенно для

западных стран, даже через несколько дней, после того, как дети будут модифицированы в генах, в 21 октября.

Вы, Gene Ecological Human, Hybridized или Zombified, посетите страницу LoveOrder.info и загрузите все 3 учредительных документа всемирного суда и банка Godland, а также The Rights of Godlanders. Вы скачаете 22-страничный буклет латвийского договора купона, а также закон о привилегиях коренных народов на их землях по закону предшественников, 7 марта 16 года. Получите себе копию Декларации ООН о правах коренных народов от 13 сентября 7 сентября. .

Вы убеждаете Гена Экологического Человека, или Вы сами адресуете, следуя за людьми, украденными правительствами, для TakeBack:

1) Главный аудитор бюджета местного и национального правительства, с указами Диттаса Богоземлии свидетельствами продолжающейся гибридизации и зомбификации посредством непроверенных новых инъекций COVID 19, требующих возврата человеческих ресурсов, созданных людьми.

2) Обращайтесь даже к производителям национальных паспортов, которые зарегистрировали всех Людей как Лиц, не давая им договоров о долевом участии в их человеческих национальных государствах. Вы инициируете законный процесс, чтобы исправить это. Исправьте свои паспорта ручкой в местном суде по делам коренных народов, добавив G- (Инициалы вашего национального государства) перед номером предыдущего паспорта, который остался там, где он был. Укажите дату исправления, подписи и регистры коренных народов в вашей книге регистрации коренных народов Годленда, от руки. После этого вы подписались, чтобы установить все 14 прав и обязанностей Godlanders и защитить человечество, и у вас есть 4 уровня контрактов с Diarchs of Godland, которые устанавливают Всеобщий Орден Любви. Переведите эти контракты с латышского www.labie.lv/wp-content/uploads/2014/11/Ligumu-Kuponu-burtnica-LB-12020-X.pdf на свой язык, если сможете, но они действительно и без этого, из-за атаки All Humanity Murder, и все нуждаются в защите со стороны Дитты из Годленда.

3) Выпустите Обобщенную проверку окса Godland of Take Backs / Stand Downs для правительств.

3) Выпустите Обобщенную проверку окса Godland of Take Backs / Stand Downs правительству, а также ежемесячный доход окса для каждого Citizen - человека, гибридизированного или зомбированного. Отправьте отсканированные / фотографии этих чеков руководителям финансов и экономики, чтобы преобразовать и доставить каждому взятому в заложники Человеку, Гибрису или Зомбифицированному. Даже директору Всемирного банка коренных народов LoveOrder Дитте из Богоземличерез info@loveorder.info. Как вы знаете, они не будут конвертировать чеки через некоторое время, готовить производство деревянных рунных монет и подсчитывать палки для контрактов и крупных сделок.

4) Вся земля, все жилье и все другие ресурсы Человечества национализированы Godland уже 5.9.19., И должны быть возвращены Людям для Выживания Человечества, чтобы быть распределенными Управлением Человечества, даже для Гибридизированных и Зомбированных постлюдей. . Местные запасы продуктов питания и предметов первой необходимости, магазины и т. Д. Теперь находятся в соответствии с соглашением с Мировым Правительством Человечества Dittas of Godland, и Люди в соответствии с Соглашением с Ditta of Godland имеют полное право взять на себя управление этими

ресурсами, чтобы они были разделены для всех.

5) Свяжитесь с агентством здравоохранения, чтобы ввести законную процедуру возврата всех больниц и университетов в управление человечеством для реабилитации всех, но особенно гибридизированных и зомбированных людей, которые ушли со всех постов власти, поскольку они удаленно контролируются Убийством человечества.

6) Вся полиция и военные возвращаются к работе на человечество вместо гибридов и зомбированных почтовых людей.

7) Все тюрьмы открыты, и все находящиеся в них люди освобождены, но любые настоящие преступники вынуждены жить на окраине, чтобы благополучно реабилитироваться там, где их любят и обожают.

Никого не нужно наказывать за это «Убийство человечества» - ни Кариньша, ни Билла Гейтса, ни Папы Франциска, но их нужно оставить без власти, и любящие надежные Хуаны заменят их сейчас. Вы должны вступить в должность и работать в комиссиях коренных народов, Правительстве людей и Правительстве Мирового Годленда, чтобы проверять и восстанавливать международные и национальные правительства, выпуская чеки окса, чтобы каждый мог выздороветь, но все продукты и услуги, необходимые для восстановления, вы также должны создавать и производить. доступны для предложения, так что не делайте бессмысленных комментариев вместо создания управления Любовным порядком страны Godland.

Не испытывайте ненависти к вашим кровавым правительствам, таким как Кариньш и Левитс в Латвии, они не злодеи-убийцы, но в зависимости от манипуляций Mind Controler Neuralink RF Medical Fashist над ними нарушаются - просто удаленно управляемый Гибрид или генно-модифицированный Зомби - пост-человек дистанционно управляемый биоробот.

Нам гораздо больше интересно узнать имена в лицах, управляющих этими удаленно управляемыми жертвами, у которых есть кнопки центральной панели управления матрицей, для приказов био-цифровым конвергентным и запрограммированным гибридам и зомби - убить все человечество тонкими косвенными способами. Кариньш и другие правительственные заложники Гибриды являются жертвами центров удаленного управления гибридно-зомби-технологиями IBM / Quence / Ватикана, и их необходимо дегибридизировать и с любовью восстанавливать в максимально возможной степени, как жертвы современных технологий, которые сделали их нечеловеческими, а именно самый ужасающий опыт, какой только может быть.

Этот процесс наступает нам естественным образом из-за неограниченных нерегулируемых научных проектов и отсутствия регулирования, поскольку судебная система по гуманитарным наукам не в состоянии иметь дело с этими новыми продуктами и процессами, такими как био-цифровое согласование, моргеллоны, погодное оружие, РФ и вся финансовая система. украдены контроллерами ИИ и т. д. Итак, теперь это результат нерегулируемой науки, сходящей с ума и Убивающей человечество. Если мы не вернем всю эту матрицу процессов обратно в Черный ящик, из которого она возникла, с человечеством покончено.

Мы должны вернуть сейчас все оснащенные оружием контрольные комнаты Управления по отравлению химическими трассами и метеорологическому оружию, банковскому делу, телеком и спутниковой связи, фармакологии, медицине, вооруженным силам и полиции,

продовольственным и сельскохозяйственным предприятиям и т. Д.

Всем лидерам этих важнейших остатков человеческой цивилизации приказано отказаться от выполнения приказов Билла Гейтса, ВОЗ / МВФ / ООН, ИИ супер-фашистских убийц человечества, и немедленно подчиниться приказам Дитты из Годленда.

Хорошая новость заключается в том, что «Black AI Mega Vox» управляется в основном одной частной компанией - Black Rock, которую мы должны вернуть и национализировать, чтобы служить человечеству. Так насколько же это может быть сложно? У Black Rock есть партнеры, которые являются вашими местными частными компаниями, выдающими паспорта, которых вы должны сначала забрать, чтобы получить разъяснения по статусу. Вы сами забираете свой паспорт, записывая в нем то, что вам нужно, и запрещая кому-либо использовать его чипы или личные номера, которые являются кодами жертвы для IBM, начиная с машин данных Освенцима, которые теперь находятся в лагерях смерти World Wide Convergence.

Я призываю Вас создать Мир, работая в military Мирном комплексе LoveOrder Godlands, который восстанавливает гуманную жизнь на Земле. Пишите на info@labie.lv на латышском или русском языке или на info@loveorder.info на шведском или английском языках.

Вам не нужно писать, если вы можете действовать самостоятельно, используя предыдущие уставы, чеки и законы Godlander, переведенные на ваш язык. Это система, которая должна работать без наших подписей, поскольку мы не можем обрабатывать миллиарды писем. Просто скачайте все упомянутые статуты, чеки охса и правила коренных народов, возьмите нож, пилу и топор и начните вырезать свои рунические монеты и счетные палочки, внесите их в свой буклет вашего местного суда коренных народов и начните использовать руну рун мира охса WIR. что каждый мужчина и женщина создает для себя квоту каждого месяца и т. д. Знайте, что Дитта из Богоземли предоставила страховку Порядка Любви на Земле для каждого Живого существа, и она действительна, даже если это существо не говорит об этом ни слова. Да установит Человечество Орден Любви на Земле сейчас!

Дитта Богоземли

Указы 4 и 3, Ниренберг II Земного суда Богоземли Godland от 6 октября 21 года Указ Дитты Богоземли, Верховного судьи всей Земли Порядка Любви Богоземли Godland, от LoveOrder.INFO.

Указ 2.10.21. Создание Dittoi Богоземли Godland независимых от электричества географических зон Порядка Любви Богоземли Godland, для каждого Человека в их национальных странах Возвращая аяс обратно в в копноное право коренных жителей b юрисдикции Богоземли Godland, с запасом охса 143 миллиарда WIR / евро / долларов США для каждого человека / гибридного гуманоида / гуманоида-зомби для восстановления обратно в любящих людей. Четыре стадии убийства всего человечества - 1) Всемирная человеческая тирания, 2) Всемирная гибридная тирания искусственного интеллекта, дроны, 3) генетически модифицированные зомби-гуманоиды искусственного интеллекта, автомат-автомобили, 4) гуманоидные мобилоиды, заменяются гуманоидными машинами-

роботами.

Национализация Богоземли Godland - брать обратно от Билл Гейтс / Ватикан / МВФ / ООН мафиозных пиратов которые украли inter-национальные, национальные и местные ресурсы коренных жителей.

Глобальная тирания SDR Money, которая превращает человечество в стерилизованных мобилоидов, заменяется надежными самодельными WIR - чеками, деревянными счетными палками и руническими монетами для нормирования, обмена и экономики подарков посредством нормирования купонных контрактов Godland, установленных на санскритском латышском языке для каждого Человек, переведите с латышского на Ваш язык www.labie.lv/wp-content/uploads/2014/11/Ligumu-Kuponu-burtnica-LB-12020-X.pdf. Отмените Ватиканы ООН ВОЗ Билл Гейтс Тирания, восстановив высшие законы и привилегии вашего клана на ваших родных землях, переведя санскритский латвийский высший закон правления латышского общества на своих землях латышских предшественников, адаптируя его к вашему - любому племени, любому языку, любой нации, на любом континенте. Перевести с латышского с <http://www.labie.lv/wp-content/uploads/2016/02/Deklar%C4%81cija-CNWS-IV-oho.pdf> Если Вы не восстановите власть своих этнических Племен у мафии Билла Гейтса сейчас, человечество будет безвозвратно уничтожено очень скоро. Люди превращаются в стерильных гуманоидов-мобилоидов в 4 этапа. Все 4 группы стадии уничтожают Человечество, но когда достигается 4 стадия, Человечество не может быть восстановлено. Мы уже на поздних стадиях 3-го этапа.

1. денежная монополия Билл Гейтс / МВФ / Ватикан / ВОЗ контролирует людей, которые не могут почувствовать разницу - работают ли они на свою семью, этногенетическую группу, нацию, человечество, но они работают на деньги МВФ во враждебных компаниях, которые захватили местные и правительства стран и де-факто заключили контракт с глобальным конгломератом Культа Смерти и создают продукты смерти для гуманитарных наук. С изменением денежной и других социальных систем можно полностью восстановить.
2. Моргеллоны, химические вещества, нанороботы и паразиты, пострадавшие от МС, люди, подвергшиеся воздействию радиации (RF) 3G 4G 5G 6G, гипноз на клеточном уровне, с микроволновыми повреждениями, с МС на предыдущем уровне. Можно вылечить ивермектином и т. Д. И часто полностью выздоравливать.
3. Биологически измененные постчеловеческие гуманоиды - инъецированные оксидом графена и нанотранзисторы Чарльза Либера поразили модифицированных генами заразных шипами-белками зомби, дистанционно управляемых радиочастотами. После 3-й инъекции у них больше нет Mind to Control. Часть этой группы получала плацебо и может быть преобразована в людей, но им сказали, что они получили вакцину. Военная синагога иезуитов В IBM были пронумерованы военные списки всех бутылочек с инъекциями COVID. Невозможно полностью превратить в людей известными способами. Последние плодовитые люди должны быть полностью изолированы от жертв, подвергшихся генетической модификации. Последние фертильные люди должны быть полностью изолированы от воздействия генетически модифицированных жертв. Чтобы спасти человечество, аборт во многих генетически модифицированных странах запрещены, а последние плодородные люди имеют все привилегии защиты генов в любой стране. Чтобы

защитить человеческое рождение, генетически модифицированные и генно-экологические должны носить статус знака и дистанцироваться.

4. Мобилоиды – пост-человеческие удаленно контролируемые генетически модифицированные стерилизованные гуманоиды-мобилоиды, которые делают то, что им велит делать их Мастер мобильных телефонов из МВФ / Ватикана. Больше не возможно контролировать разум. Восстановление в человека/ человечество невозможно.
